

## ANNOUNCEMENT

### Research Fellowship for MSc degree

The Instituto Português do Mar e da Atmosfera, I.P. (IPMA) opens a call, within 10 days from the date of publication of this announcement, to award one Research Grants for a persons with a BSc degree on Meteorology, Environmental Engineering or similar, in the framework of the project CLIMALERT, funded by FCT reference ERA4CS/0005/2016

**Main research field:** Meteorology

**Admission requirements:**

1. BSc Degree on Meteorology, Environmental Sciences or similar,

**Work plan:**

The working program includes the following activities:

- a) Computation of the monthly and decadal composites of real and reference evapotranspiration (ET e ETREF, LSA SAF).
- b) Computation of monthly composites of gross primary productivity (GPP, LSA SAF);
- c) Computation of Water Use Efficiency (WUE) decadal and monthly values for Portugal
- d) Analysis of the relationship between WUE, LST and ET/ETREF and wine production for the Douro area

**Legislation and regulation applicable:** Law No. 40/2004 of 18 August (Statute of the Scholarships for Scientific Research), as amended by Law No. 202/2012 of 27 August, Decree-Law No. 89/2013, of July 9, Decree-Law No. 233/2013 of 29 October, Law No. 12/2013 of 29 January, Regulation No 326/2013 of 27 August. Grants Regulation of the FCT, I. P., approved by Regulation No 234/2012 of 25 June, amended and republished by Regulation No 326/2013 of 27 August and amended by Regulation No 339/2015, June 17. Internal Regulations for Scholarships for Scientific Research of IPMA, IP, approved by FCT, by Order of 17 December 2012.

**Value of monthly maintenance allowance:** According to the table of research grants in force, according to the rules of FCT and IPMA (752.38€).

**Workplace:** The work will be developed at IPMA headquarter

**Duration of the grant:** The scholarship will have duration of 6 months beginning in January 2020, not renewable.

**Methods and selection criteria:**

---

**8.2 Método de avaliação:** os Métodos de seleção a aplicar são:

A – Academic merit of the candidate, considering the classifications during the academic period, published scientific results and the projects where he/she collaborated. [10 valores]

B – adequacy to the working program, considering the profile and previous experience [10 valores]

**Submission of applications:** Applications must be submitted by the deadline set in this notice, using one of the following means:

a) In electronic format to [candidaturas.bolsas@ipma.pt](mailto:candidaturas.bolsas@ipma.pt). It is mandatory that the subject of the email message state the full reference of the call (**IPMA-2019-052-BI**), otherwise the application could not be admitted;

b) By post mail to the following address: Rua C do Aeroporto, 1749-077 Lisboa, Portugal. The stamp date will be the date of the application to the call.

c) In person at IPMA facilities located in Rua C do Aeroporto, 1749-077 Lisboa, Portugal.

**Jury members:**

Presidente: Doutora Célia Gouveia, Investigadora Auxiliar

1º Vogal Efetivo: Doutora Isabel Trigo, Investigadora Principal

2º Vogal Efetivo: Doutora Rita Durão, BPD

1º Vogal Suplente: Doutor João Paulo Martins, BPD

2º Vogal Suplente: Doutora Sofia Ermida, BPD
